## Warintza Project, Ecuador

SDG	SDG Sub Goals	Indicator
 <p><b>1</b> NO POVERTY</p>	<p>1.1 By 2030, eradicate extreme poverty for all people everywhere, currently measured as people living on less than \$1.25 a day</p>	<p># of direct community employment for Warints/Yawi and neighboring communities in area of influence to Warintza Project</p>
	<p>1.2 By 2030, reduce at least by half the proportion of men, women and children of all ages living in poverty in all its dimensions according to national definitions</p>	<p># of direct community employment for Warints/Yawi and neighboring communities in area of influence to Warintza Project</p>
	<p>1.4 By 2030 ensure that all men and women, particularly the poor and the vulnerable, have equal rights to economic resources, as well as access to basic services, ownership, and control over land and other forms of property, inheritance, natural resources, appropriate new technology, and financial services including microfinance</p>	<p># of direct community employment for Warints/Yawi and neighboring communities in area of influence to Warintza Project Female/ male direct community employment ratio</p>
	<p>1.5 By 2030 build the resilience of the poor and those in vulnerable situations, and reduce their exposure and vulnerability to climate related extreme events and other economic, social, and environmental shocks and disasters</p>	<p># of projects carried out to mitigate against vulnerability</p>
 <p><b>2</b> ZERO HUNGER</p>	<p>2.1 By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations including infants, to safe, nutritious, and sufficient food all year round</p>	<p># of direct community employment Warints/Yawi and neighboring communities in area of influence to Warintza Project # of food kits/aid provided to communities in area of influence to Warintza Project Progress on nutrition provided to Warintza project employees</p>
	<p>2.2 By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women, and older persons</p>	<p># of activities related to promoting agricultural production contributing to nutrition amongst communities in the area of influence to the Warintza Project.</p>

SDG	SDG Sub Goals	Indicator
 <p><b>3</b> GOOD HEALTH AND WELL-BEING</p>	3.1 By 2030, reduce the global maternal mortality ratio to less than 70 per 100,000 live births	# Projects and investment in healthcare in the area of influence to the Warintza Project
	3.2 By 2030, end preventable deaths of newborns and children under 5 years of age, with all countries aiming to reduce neonatal mortality to at least as low as 12 per 1,000 live births and under 5 mortality to at least as low as 25 per 1,000 live births	# Projects and investment in healthcare in the area of influence to the Warintza Project
	3.3 By 2030, end the epidemics of AIDS, tuberculosis, malaria, and neglected tropical diseases and combat hepatitis, water borne diseases, and other communicable diseases	# Projects and investment in healthcare in the area of influence to the Warintza Project
	3.4 By 2030, reduce by one third premature mortality from non-communicable diseases (NCDs) through prevention and treatment and promote mental health, and wellbeing	# of Projects and investment in healthcare in the area of influence to the Warintza Project
	3.8 Achieve universal health coverage (UHC), including financial risk protection, access to quality essential health care services, and access to safe, effective, quality, and affordable essential medicines and vaccines for all	# of Cooperation agreements that enable communities in the area of influence of the Warintza Project to have access to health coverage. -Progress on employee policy on health coverage for employees of the Warintza Project
	3.9 By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water, and soil pollution and contamination	-Progress on compliance with environmental registry to mitigate against pollution and contamination of exploration activities.
	3.c Substantially increase health financing and the recruitment, development and training and retention of the health workforce in developing countries, especially in LDCs and SIDS	# investment in health and wellbeing for the Warintza Project workforce # investment in health and wellbeing for the communities in the area of influence to the Warintza Project

SDG	SDG Sub Goals	Indicator
	4.1 By 2030, ensure that all girls and boys complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes	# Projects and investment in primary education in the area of influence to the Warintza Project
	4.3 By 2030, ensure equal access for all women and men to affordable quality technical, vocational, and tertiary education, including university	# Projects and investment in tertiary education in the area of influence to the Warintza Project # Scholarship recipients for tertiary education in the area of influence to the Warintza Project # of partnerships with local universities #of internships offered at the Warintza Project
	4.4 By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs, and entrepreneurship	# capacity building initiatives in the area of influence to the Warintza Project #of partnerships with local entities to promote entrepreneurship #of internships offered at the Warintza Project
	4.5 By 2030, eliminate gender disparities in education and ensure equal access to all levels of education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples, and children in vulnerable situations	-Ratio of Indigenous local men and women with access to scholarships -Ratio of Indigenous local men and women attending capacity building initiatives # Projects oriented for indigenous women (entrepreneurship, capacity building)
	4.6 By 2030, ensure that all youth and a substantial proportion of adults, both men and women, achieve literacy and numeracy	# Projects and investment in primary education in the area of influence to the Warintza Project # Projects and investment in financial education in the area of influence to the Warintza Project
	4.7 By 2030 ensure all learners acquire knowledge and skills needed to promote sustainable development, including among others through education for sustainable development and sustainable lifestyles, human rights, gender equality, promotion of a	# Projects and investment in capacity building initiatives, including environmental stewardship in the area of influence to the Warintza Project

	culture of peace and non violence, global citizenship, and appreciation of cultural diversity and of culture's contribution to sustainable development	# of Partnerships with which to invest in sustainability and capacity building
	4.a. Build and upgrade education facilities that are child, disability, and gender sensitive and provide safe, nonviolent, inclusive, and effective learning environments for all	# Projects and investment in infrastructure for education in the area of influence to the Warintza Project
	4.b. By 2020, substantially expand globally the number of scholarships for developing countries, in particular LDCs, SIDS and African countries for enrolment in higher education, including vocational training, ICT, technical, engineering, and scientific programmes, in developed countries and other developing countries	# scholarship recipients for tertiary education in the area of influence to the Warintza Project # partnerships for tertiary education in the area of influence to the Warintza Project # interns for tertiary education in the area of influence to the Warintza Project
	4.c. By 2030, substantially increase the supply of qualified teachers, including through international cooperation for teacher training in developing countries, especially LDCs and SIDS	# investment and projects for the development of teachers in the area of influence to the Warintza Project
	5.1 End all forms of discrimination against all women and girls everywhere	# Projects specific to promoting entrepreneurship, financial education, and governance for women in the area of influence to the Warintza Project
	5.4 Recognize and value unpaid care and domestic work through the provision of public services, infrastructure and social protection policies, and the promotion of shared responsibility within the household and the family as nationally appropriate	# Projects specific to promoting entrepreneurship, financial education, and governance for women in the area of influence to the Warintza Project
	5.5 Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision making in political, economic, and public life	# women employed by the company in the area of influence to the Warintza Project # Projects specific to promoting entrepreneurship, financial education and governance for women in the area of influence to the Warintza Project -Progress on female participation in the Warintza Project's governance

SDG	SDG Sub Goals	Indicator
 <p><b>5</b> GENDER EQUALITY</p>	<p>5.a. Undertake reforms to give women equal rights to economic resources, as well as access to ownership and control over land and other forms of property, financial services, inheritance, and natural resources in accordance with national laws</p>	<p># women employed by the company in the area of influence to the Warintza Project            # Projects specific to promoting entrepreneurship, financial education, and governance for women in the area of influence to the Warintza Project            -Progress on female participation in the Warintza Project's governance</p>
	<p>5.b. Enhance the use of enabling technologies, in particular information and communications technology, to promote the empowerment of women</p>	<p>-# Projects specific to promoting communications and technology for women in the area of influence to the Warintza Project</p>
 <p><b>6</b> CLEAN WATER AND SANITATION</p>	<p>6.2 By 2030, achieve access to adequate and equitable sanitation and hygiene for all, and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations</p>	<p>- # Projects specific to promoting sanitation and hygiene in the area of influence to the Warintza Project</p>
	<p>6.3 By 2030, improve water quality by reducing pollution, eliminating dumping, and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater, and substantially increasing recycling and safe reuse globally</p>	<p># Projects specific to promoting sanitation and hygiene in the area of influence to the Warintza Project            # Projects specific to reducing pollution of water sources in the area of influence to the Warintza Project            -Progress on compliance with the environmental registry and water pollution</p>

SDG	SDG Sub Goals	Indicator
 <p><b>6</b> CLEAN WATER AND SANITATION</p>	<p>6.a. By 2030, expand international cooperation and capacity building support to developing countries in water and sanitation related activities and programmes, including water harvesting, desalination, water efficiency, wastewater treatment, recycling, and reuse technologies</p>	<p># Projects specific to promoting sanitation and hygiene in the area of influence to the Warintza Project # Cooperation Agreements to promote sanitation and hygiene in the area of influence to the Warintza Project</p>
	<p>6.b. Support and strengthen the participation of local communities for improving water and sanitation management</p>	<p># Projects specific to promoting sanitation and hygiene in the area of influence to the Warintza Project through the Strategic Alliance</p>
 <p><b>7</b> AFFORDABLE AND CLEAN ENERGY</p>	<p>7.2 By 2030, increase substantially the share of renewable energy in the global energy mix</p>	<p># Projects specific to expanding use of renewable energy in the area of influence to the Warintza Project</p>
	<p>7.b. By 2030, expand infrastructure and upgrade technology for supplying modern and sustainable energy services for all in developing countries, particularly least developed countries, small island developing States and landlocked developing countries, in accordance with their respective programmes of support</p>	<p># Projects specific to developing infrastructure for the use of renewable energy in the area of influence to the Warintza Project</p>
 <p><b>8</b> DECENT WORK AND ECONOMIC GROWTH</p>	<p>8.4 Improve progressively, through 2030, global resource efficiency in consumption and production, and endeavor to decouple economic growth from environmental degradation, in accordance with the 10-year framework of programmes on sustainable consumption and production, with developed countries taking the lead</p>	<p># projects specific to sustainable finances for the communities in the area of influence to the Warintza Project as well as employees.</p>
	<p>8.5 By 2030, achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities, and equal pay for work of equal value</p>	<p># direct community employment in the area of influence to the Warintza Project -Ratio of pay for women and men</p>

SDG	SDG Sub Goals	Indicator
 <p><b>8</b> DECENT WORK AND ECONOMIC GROWTH</p>	<p>8.6 By 2020, substantially reduce the proportion of youth not in employment, education, or training</p>	<p># direct community employment in the area of influence to the Warintza Project # youth not of in employment, education, or training</p>
	<p>8.8 Protect labour rights and promote safe and secure working environments of all workers, including migrant workers, particularly women migrants, and those in precarious employment</p>	<p>-Compliance with laws and regulations on labour rights # Initiatives from department of HR and Occupational Health and Safety on labour rights.</p>
	<p>8.10 Sustain per capita economic growth in accordance with national circumstances and, in particular, at least 7 per cent gross domestic product growth per annum in the least developed countries</p>	<p># Projects specific to encouraging banking, insurance, and financial services in the area of influence to the Warintza Project and for Warintza Project employees. # Partnership with financial institutions for the promotion of access to banking, insurance, and financial services in the area of influence to the Warintza Project</p>
 <p><b>9</b> INDUSTRY, INNOVATION AND INFRASTRUCTURE</p>	<p>9.2 Promote inclusive and sustainable industrialization and, by 2030, significantly raise industry's share of employment and GDP in line with national circumstances, and double its share in LDCs</p>	<p># projects specific to promoting entrepreneurship and small-scale industry amongst community members in the area of influence to the Warintza Project</p>
	<p>9.3 Increase the access of small scale industrial and other enterprises, in particular in developing countries, to financial services, including affordable credit, and their integration into value chains and markets</p>	<p># projects specific to promoting entrepreneurship and small-scale industry amongst community members in the area of influence to the Warintza Project</p>

SDG	SDG Sub Goals	Indicator
 <p><b>9</b> INDUSTRY, INNOVATION AND INFRASTRUCTURE</p>	<p>9.4 By 2030, upgrade infrastructure and retrofit industries to make them sustainable, with increased resource use efficiency and greater adoption of clean and environmentally sound technologies and industrial processes, with all countries taking action in accordance with their respective capabilities</p>	<p># projects specific to transitioning existing infrastructure and technology in compliance with more sustainable, clean, and environmentally sound technologies in the area of influence to the Warintza Project</p>
	<p>9.a. Facilitate sustainable and resilient infrastructure development in developing countries through enhanced financial, technological, and technical support to African countries, LDCs, LLDCs and SIDS</p>	<p># projects specific to increasing access to ICT and access to internet in the area of influence to the Warintza Project</p>
	<p>9.c. Significantly increase access to ICT and strive to provide universal and affordable access to the internet in LDCs by 2020</p>	<p># projects specific to increasing access to ICT and access to internet in the area of influence to the Warintza Project</p>
 <p><b>10</b> REDUCED INEQUALITIES</p>	<p>10.1 By 2030, progressively achieve and sustain income growth of the bottom 40 per cent of the population at a rate higher than the national average</p>	<p># direct community employment in the area of influence to the Warintza Project Ratio of pay for women and men</p>
	<p>10.2 By 2030, empower and promote the social, economic, and political inclusion of all irrespective of age, sex, disability, race, ethnicity, origin, religion or economic or other status</p>	<p># direct community employment in the area of influence to the Warintza Project -Ratio of pay for women and men Ratio of men and women participation in governance related to the Warintza Project</p>

SDG	SDG Sub Goals	Indicator
 <p><b>10</b> REDUCED INEQUALITIES</p>	<p>10.3 Ensure equal opportunity and reduce inequalities of outcome, including through eliminating discriminatory laws, policies and practices and promoting appropriate legislation, policies, and actions in this regard</p>	<p>-Ratio of men and women direct community employment in the area of influence to the Warintza Project</p> <p>-Ratio of pay for women and men</p> <p>-Ratio of men and women participation in governance related to the Warintza Project</p> <p>-Progress of employee handbook policies on discriminatory behaviour</p> <p>Progress of supplier code of conduct specific to discriminatory behaviour and screening</p>
	<p>10.6 Ensure enhanced representation and voice of developing countries in decision making in global international economic and financial institutions in order to deliver more effective, credible, accountable, and legitimate institutions</p>	<p># Projects and Progress on local governance in the area of influence of the Warintza Project (Strategic Alliance)</p>
 <p><b>11</b> SUSTAINABLE CITIES AND COMMUNITIES</p>	<p>11.3 By 2030, enhance inclusive and sustainable urbanization and capacities for participatory, integrated, and sustainable human settlement planning and management in all countries</p>	<p>-Progress on projects of the Strategic Alliance related to urban planning and management in the area of influence of the Warintza Project</p>
	<p>11.4 Strengthen efforts to protect and safeguard the world's cultural and natural heritage</p>	<p># Projects related to preserving the culture of the communities within the Warintza Project's area of influence.</p>
	<p>11.6 By 2030, reduce the adverse per capita environmental impact of cities, including by paying special attention to air quality, municipal and other waste management</p>	<p>-Compliance with the environmental registry, specific to effective waste management and contamination.</p>
	<p>11.a. Support positive economic, social, and environmental links between urban, peri urban and rural areas by strengthening national and regional development planning</p>	<p># Projects involved in rural planning for the communities in the area of influence of the Warintza Project</p>

SDG	SDG Sub Goals	Indicator
 <p><b>12</b> RESPONSIBLE CONSUMPTION AND PRODUCTION</p>	<p>12.2 By 2030, achieve sustainable management and efficient use of natural resources</p>	<p>- Progress on sustainable planning of Warintza Project activities in relation to social and environmental responsibility</p>
	<p>12.5 By 2030, substantially reduce waste generation through prevention, reduction, recycling, and reuse</p>	<p>- Compliance with environmental registry # Projects and initiatives related to environmental stewardship, waste reduction, prevention, recycling, and reuse.</p>
	<p>12.6 Encourage companies, to adopt sustainable practices and to integrate sustainability information into their reporting cycle</p>	<p>-Progress on reporting practices of the Company</p>
	<p>12.7 Promote public procurement practices that are sustainable, in accordance with national policies and priorities</p>	<p># Projects involved in improving public procurement practices # Partnerships through which to improve public procurement practices</p>
	<p>12.8 By 2030, ensure that people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature</p>	<p># Projects involved in improving public procurement practices # Partnerships through which to improve public procurement practices</p>
 <p><b>15</b> LIFE ON LAND</p>	<p>15.1 By 2020, ensure conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains, and drylands, in line with obligations under international agreements</p>	<p>- Progress and reports on compliance with environmental registry to conserve, restore ecosystems when affected by exploration activities of the Warintza Project</p>
 <p><b>16</b> PEACE, JUSTICE AND STRONG INSTITUTIONS</p>	<p>16.3 Promote the rule of law at the national and international levels and ensure equal access to justice for all</p>	<p>- Progress on promoting governance structures through the Strategic Alliance, including responsible ASM and community life plan</p>

SDG	SDG Sub Goals	Indicator
 <p><b>16</b> PEACE, JUSTICE AND STRONG INSTITUTIONS</p>	16.5 Substantially reduce corruption and bribery in all its forms	- Progress about contribution to EITI standards and compliance with LPRM
	16.6 Develop effective, accountable, and transparent institutions at all levels	-Progress on decision making regarding Warintza project activities with the Strategic Alliance and Board Members
	16.7 Ensure responsive, inclusive, participatory, and representative decision making at all levels	-Progress on decision making regarding Warintza project activities with the Strategic Alliance and Board Members
	16.8 Broaden and strengthen the participation of developing countries in the institutions of global governance	# Partnerships through which to increase the governance capacity of community members in the strategic alliance # Projects to increase the governance capacity of community members in the strategic alliance
	16.b. Promote and enforce nondiscriminatory laws and policies for sustainable development	-Progress on enforcement and inclusion of nondiscriminatory laws and policies of sustainable development
 <p><b>17</b> PARTNERSHIPS FOR THE GOALS</p>	17.3 Mobilize additional financial resources for developing countries from multiple sources	# Investment for the communities in the area of influence of the Warintza project # Partnerships for community development in the area of influence of the Warintza Project
	17.6 South and triangular regional and international cooperation on and access to science, technology, and innovation, and enhance knowledge sharing on mutually agreed terms, including through improved coordination among existing mechanisms, particularly at the UN level, and through a global technology facilitation mechanism	# of North-South and South-South capacity building exchanges for the community members of the area of influence of the Warintza Project.
	17.13 Enhance global macroeconomic stability, including through policy coordination and policy coherence	# Investment and financial contributions provided to the Ecuadorian government

SDG	SDG Sub Goals	Indicator
<div data-bbox="207 226 446 457"> <p><b>17</b> PARTNERSHIPS FOR THE GOALS</p>  </div>	<p>17.16 Enhance the Global Partnership for Sustainable Development, complemented by multi stakeholder partnerships that mobilize and share knowledge, expertise, technology, and financial resources, to support the achievement of the Sustainable Development Goals in all countries, in particular developing countries</p>	<p># Partnerships through knowledge, expertise, technology, and financial resources area shared to enhance the Global Partnership for Sustainable Development Private</p>
	<p>17.17 Encourage and promote effective public, public-private, and civil society partnerships, building on the experience and resourcing strategies of partnerships</p>	<p># Projects involving public, private, and civil society partnerships</p>
